

Monday Morning, Amazed

You're the one who turns my head, You're my God and to myself I'm dead
You're the one by which I'm led, You're the one
You're the one who loves me more than I could see or ever ask for
You're the one that I adore, You're the one

CHORUS

By You, I'm amazed

By You, I'm dazed

By You, I'm crazed

By You, I'm saved

You came you led a sinless life,

You suffered on the cross to take away all mine

For me alone You would have given You life, You're the one

I'm so amazed by You

Are you amazed are you?
