

Monday Morning, Running Away

He can't get in my way to say
Can't get even close to me
'Cause Your love is always with me
Nobody can take that away
He won't get in my head today
Can't get in my heart I say
Never, ever, ever take that from me
There was a time
I was way out of line
But I've changed my mind
And I'm off to find You

CHORUS

Running away from the sin in me
Running away, running away
Running away from the sin in me (2x)
So from my wrongs I'll stay away
Let Your will be the guide of me
Your righteousness remains the same
So I'll stay close to You, Stop playing games
