

Mondo Generator, Day I Die

The day I die
There gonna throw a party
Day I die
Tell the good news to everybody

CHORUS:

Come and join me
Yeah spit on me
Come on and laugh
And fuck with me

The day I die
No more reasons to lie
The day I die
No more reasons to cry

CHORUS

I'm dead, I'm dead
Rip off my skin, have a feast
I'm a beast
Cannibalize, shit, piss
I'm dead, I'm dead
Rip off my skin have a feast
I'm a beast
Cannibalize, shit, go

CHORUS
