

Mondo Generator, Here We Come

Here we come
We're coming to get ya
Here we come
Oh right

How dare you contradict me
Why you contradicting me?
Don't think that I'm losing friction
I move inaudibly

Here we come
We're coming to get ya
Here we come
Oh right

Eleven to one dome top pistions
Massive racing track four on the floor
I got pazy rear traction
Real fast man for my satisfaction

Here we come
We're coming to get ya
Here we come
Oh right
