Mondo Generator, Meth I Hear You Callin'

This is fucking war
You want it?
Yeah
Call me back right now

Meth, I hear you callin'
I won't come home

You want a fight?
You called me
Don't call me
Don't you call me
Don't you call me
You want to fight?
Call me

Now I'm going to rip you a new one
Then call me back right now
Don't you ever call me period
I mean it
Do this for me
Do you understand?

I'm doing this for me
Do not call me back, okay
For me
If you don't call me back within 30 seconds You will pay
You answer that fucking phone right now goddammit

Meth, I hear you callin'
I won't come home
I will call your sister and I will call your mother
Fuck it
Everyone I see and everyone I know
And you know
I will call every relative that you have
You don't wanna know why
What's going on?
Where are you?
Bitch
