

# Mondo Generator, Shawnette

Shawnette  
She wanted it  
From the boy down in the boiler room

Shawnette  
She had Tourettes  
She said, &quot;Goddamn, motherfucker, your ass is mine&quot;

Shawnette  
She had lips  
To say, &quot;Goddamn, motherfucker, your ass is mine&quot;

There she goes again  
This time for the young meat

Shawnette Jackson gonna do it with a tall boy, short boy, fat boy, skinny boy

Shawnette  
She had two new pets  
She duct taped those bitches together like dynamite  
Yeah

Smoking that killer  
Tweaking that cc  
Just to get her from bleep day to bleep day

There she goes again  
This time for the young meat

Shawnette  
She couldn't get it  
So she drank that naughty head and she tied his ass up

Tied him up
