Monica, Don't Take It Personal (Just One Of Dem

Its just one of dem days
When I want to be all alone
Its just one of dem days
When I gotta be all alone

[Verse 1:]
I wanna take some time out
To think things through
I know it always feels like I'm doing you wrong
But I'm so in love with you
So understand that I'm only in love
You're the only one I need
So have no thought that I want to leave
And baby trust me please

[Chorus:]
Don't take it personal
Take the bitter with the sweet
Easy come, easy go
Don't take it personal
Take the bitter with the sweet
Cause good things come to an end
Don't take it personal
Baby, baby, baby, baby
Don't take it personal

[Verse 2:]
I sit and think about everything we do
And I find myself in misery and that ain't cool
Hey now I really wanna be with you the whole way through
But the way you make me feel inside gets me confused
As I swing back mood to mood
Its not because of you
I never want you to be insecure
So understand that I'm only in love
You're the only one I need
I'll be there for you when you need me boy
So baby don't you leave

[Chorus]

Don't take it personal, yeah
Don't take it personal

Don't take it personal
Take the bitter with the sweet
Easy come, easy go
Don't take it personal
Take the bitter with the sweet
Cause good things come to an end

[repeat til end]
