

Monica, So Gone (Remix W/ Young Buck)

Monica:

So gone over you you you

Young Buck:

this is the official remix

New Monica!

Young Buck!

This is the remix you didn't have to wait that long

Monica Missy and Young Buck remix is so gone

and my love for the game is so strong

I can hold on

so you can tell me whats goin on

Monica come on

Monica:

Silly of me

Devoted so much time

to find you unfaithfull boy

i nearly lost my mind (don't do that don't do that)

drive past your house every night

in an unmarked car

Wonderin what she had on me

to make you break my heart

you make me feel

I'm so gone

soo gone

you make me feel

soo unreal

Young Buck:

Remix

Monica:

Nights i couldnt sleep

you let the sun beat you home

i asked my self over again what am i doing wrong?

to make you stay out all night

and not think to call

what does she have over me

to make you not think to call home

you make me feel

I'm so gone

soo gone

you make me feel

soo unreal

Monica:

Listen boy

i'm a rowdy chick

sometimes i have to fight

cuz my mouth too slick

baby why you doin me like i aint worth shit

make me wanna ride past your house and sit

kick down your door and smack your chick

Just to show you Monica not havin it

so in love with you like a drug habit -get

soo gone

you treat me so unreal

Young Buck:

Was it the club hoppin after the show

that had you shook up

you know i'm a flirt

shortstop

wasn't no hookups

Who i come home to?

you

Anything that Buck got

you own a matchin one too

thats how we do

please believe
wit chu is where i rest my head
maybe in one of those new customized missy farrai beds
put your hood up with the boy from the hood too
you rock the throw back all eyes on you
you were so wrong
but i was so gone with out you
lost thinking another woman could replace you
i got girls that friends
but i aint buy em a benz
i coped you the 600
that should tell ya who runnin fo real

Monica:

what she do i do it better
what she did to make ya love her
is it real or forever
baby please can't we stay together
what she do i do it better
what she did to make ya love her
is it real or forever
baby please can't we stay together
oh and i love to love ya baby
oh and i love to love ya baby
