

Monica, Woman In Me (Interlude)

(Interlude)

Love brings intensity
How I know it's plan to see,
Boy there's a woman in me

Intensity brings misery
How I know it's plan to see,
Boy there's a woman in me

Your wondering how I know
(There's a woman in me)
That's how I know
(There's a woman in me)

Your wondering how I know
(There's a woman in me)
That's how I know
(There's a woman in me)

Your wondering how I know
(There's a woman in me)
That's how I know
(There's a woman in me)

(this keeps going as it fades)
