

Monifah, Brown Eyes

(Intro)

Yeah, uh uh

Yeah, uh uh

Don't look at me like that

I can't resist those eyes

Those shits are crazy, uh uh uh, damn

1 - Something about the way you look

You're giving me the chills so bad

Oh baby, I'm shook

I'm trying to compose myself cause baby I'm hooked

So fly, your pretty brown eyes

(Break it down)

It was a Sunday afternoon

When I laid eyes on you

Could it be true

I knew I had to have you

I had to keep to myself

The feelings that I feel for you

Cause baby you know

2 - As you're talking to me

It seems I could not look away

I told myself don't fight it, no

Your eyes told me to stay here baby

Repeat 1

I never thought it could be true

Love at first sight you see

That's not like me, no

Your love is so different

(It was your eyes baby)

The way you looked at me

I had to talk to you, yeah

Repeat 2

Repeat 1

Repeat 1

(TR)

Yeah, uh huh, yeah

Uh, tear me up

Uh, you like that brown eye?

Uh, I like that brown thigh

Uh, I like the plan B

Roll up in the coupe of the 5CC

Uh huh, I can see we goin' somewhere

Navigate the 5 while I'm pullin' your hair

Uh, cop the 9 while I put it in gear, gear

Repeat 1 until fade
