

Monifah, Fairytale

It's been this way for me, oh so long
I know one day I will fall in love
I kept my heart locked forever and a day
I want someone to come steal it away, yeah

1 - I want a lover who will be there every night
Who will be there in the morning when I rise
Just like a fairy tale I hope and pray
That I really truly hope that I will come to find
My prince one day

When I find him, I'll be so happy
We'll have two kids, two dogs, a Mercedes
I will search for a whole lifetime
One day I'll find Mr. Right

Repeat 1 (2x)

Hmm, oh, oh
Hmm, oh, oh
Oh, oh, oh
I want a love...

Repeat 1 (3x)
