

Monifah, Home

Home is a place filled with love and affection
A place filled with memories
Of life, love, and family
And I'm telling you
There is no place in the world like home

Open your eyes and dream of
A place where there are no worries
Or any doubts about my needs
Loving values based upon
Inner love and inner peace, yeah
And I'm telling you
There is no place in the world like home

Teddy, won't you play it for me now

Do, do, do...

Help me
Show me the way back
Show me the way back home
Yeah, yeah, yeah, yeah
And I'm telling you
There is no place in this world like home

Believe me when all else fails in life
You can depend on home
To always welcome you with the purest love
And self assurance that only God blesses you with
Home is where my heart will stay
Home is home, will stay, yeah
And I'm telling you
There is no place in this world like home

And I'm telling you, telling you
Telling you, telling you
Telling you, telling you, telling you
There is no place in the world like home
Home sweet home, yeah, yeah, yeah

Telling you
There is no place in the world like home
But I'm telling you
There is no place in this world like, like home
