

Monifah, How You Gonna Love Me

You said you waited all your life
For the special one
And when you and me ?
?

And now I can't figure out what it is
That you want
(No, no, no, no, no)
Cause you say you love me
How you gonna love me?

How you gonna love me baby?
Living in the past
How you gonna love me baby?
Holding on to love that didn't last

How you gonna love me baby?
Living in the past
How you gonna love me baby?
Holding on to love that didn't last

But now you're telling me
You don't know what to do, do
You've been talking to your friends
And they got you confused
I just can't understand
Why you, won't open your eyes
(No, no, no, no, no)

When you say you love me, I feel it's a lie
How you gonna love me?

How you gonna love me baby?
Living in the past
How you gonna love me baby?
Holding on to love that didn't last

How you gonna love me baby?
Living in the past
How you gonna love me baby?
Holding on to love that didn't last

If you really love me
You gotta let me know
How you gonna love me?
?

If you really love me
Open up your eyes
How you gonna love me?
Living in a lie

How you gonna love me baby?
Living in the past
How you gonna love me baby?
Holding on to love that didn't last
