

Monifah, It's Alright

It's alright, ooh, it's alright
Whoa, oh, oh, yeah, ooh, ooh, ooh
It's alright, oh, it's alright

1 - I know you had to leave me
But it's alright, it's alright
I know you had to leave me
But it's alright, it's alright

When I had ya, you treated me just like a queen
You gave to me everything
When I lost ya, I didn't know what to say
I wanna go home, can't find my way

Repeat 1

Now that you're gone
How will I deal with the pain?
I know I'll never be the same
God please (please) grant me the strength
To find my way to another day
I know, I know I did you wrong
That's why I dedicate to you this song
When you left me
I didn't know what to say
I wanna go home, can't find my way

I know I made mistakes baby, but you made mistakes too
And all I can do is apologize but I'll say it again
I'm sorry and that's why I, ooh

Repeat 1(2x)

It's alright, it's alright
I'm gonna be around, cause I've got
God on my side
It's alright
Heavenly father hear my prayers
It's alright
Cause I know your always with me
It's alright
You'll always be right here with me
Yeah, yeah, yeah, I'm gonna
It's alright
Be alright, I'm gonna be alright
Cause now I understand why you had to leave me
It's alright

Repeat 1 till end
