

Monifah, Rescue Me

(TR)

Yo, yo

Somebody felt my ass?

Yo who felt my ass?

Alright

That's the way y'all wanna play

I got'cha

Yo Mo uh-huh TR

Yo Mo the verse, ah

(Monifah)

I feel you checkin' me

I'm all up in your steez

My favorite jam is on

Don't make me wait too long

So what'cha gonna do

I'll back it up for you

If you can do me right

You can take me home tonight

This is just a taste I'll give you

On the dance floor

Let me feel you right

Maybe you'll get some more

And to my surprise I feel your rise

Your story's hot

Meet me at the bar

We're gonna handle ours

Come on

Rescue me

Take me out this club

I'll be your fantasy

Be my destiny

Take me home with you

Do all the things you do

We'll go on and on

Till the break of dawn

You know I'm with my crew

But I'll go home with you

You see it's been so long

I wanna see you take it off

Listen close to me

This how it's gonna be

We're gonna dance some more

Then we're sneakin' out the door

As we dance I see you sweatin'

And it turns me on

Hmm I can't wait, to come in out this storm

When you take me home

Don't waste no time

Don't need no bed, don't need no lights

Just make me moan

Cause I gets my freak on and on

Rescue me

Take me out this club

I'll be your fantasy

Be my destiny

Take me home with you

Do all the things you do
We'll go on and on
Till the break of dawn

Rescue me
Take me out this club
I'll be your fantasy
Be my destiny
Take me home with you
Do all the things you do
We'll go on and on
Till the break of dawn

I'll meet you at your car
I'll follow you home
(So we can bone)
My fantasy
Five hundred is fast
Take me home, take me home
Once inside
I'll be your ride
Come on
(Yeah)
Can you handle it?
Just come tonight
Can't you see my eyes
It's on

Rescue me
Take me out this club
I'll be your fantasy
Be my destiny
Take me home with you
Do all the things you do
We'll go on and on
Till the break of dawn

Rescue me
Take me out this club
I'll be your fantasy
Be my destiny
Take me home with you
Do all the things you do
We'll go on and on
Till the break of dawn
