

# Monifah, You Don't Have To Love Me

you don't have to love me (you don't have to love me)  
You don't have to want me (anymore)  
You don't have to need me (you don't have to need me)  
Cuz i've got love on my side  
And it's gonna be all right

Baby, I had a feeling that you were cheatin' on me  
But blinded by love I couldn't see  
I guess everybody plays the fool sometimes  
But it's cool, yeah, it's cool  
You don't have to worry about me

you don't have to love me (you don't have to love me)  
You don't have to want me (anymore)  
You don't have to need me (you don't have to need me)  
No, no, no, no, baby  
Cuz i've got love on my side  
And it's gonna be all right, hey, hey

Do you believe that what goes around comes around  
Just you wait and see, cuz i'm not worried 'bout a thing anymore  
It doesn't follow me, it doesn't follow me, can't you see it  
I don't need ya, ever need  
Cuz you don't, I said you

You don't have to love me anymore (you don't have to love me)  
No, no, no, no, no, no, no (anymore)  
You don't have to want me (you don't have to need me)  
Cuz baby, baby, cuz i've got love on my side  
And it's gonna be alright, yeah, yeah

(you don't have to love me)  
You don't have to want me (anymore)  
You don't (you don't have to need me)  
You don't have to need me  
Cuz i've got love on my side  
I've got love, i've got love, i've got love, i've got love  
Love me no, no, i've got love, i've got love, i've got love  
On my side

Ad lib until fade
