

# Monifah, You've Got My Heart

Chorus:

You've got my heart  
You are the only one for me  
Ooh yeah, baby  
I knew from the start  
Hear what I'm sayin' baby, yeah  
You're the only one for me  
I love you in a special way, hey, hey  
I need you right by my side  
'Cause don't you know you make me happy  
Boy with you is where I wanna be  
And your sweet love keeps me satisfied  
And now that I'm your only lady  
I prefer to have you baby

Chorus

You know that I never wanna hurt you  
Just let me be the one to share your love  
'Cause you're the only one I'm thinkin' of  
Joya Owens:

Where will I go, where would I be  
If you ever took your love from me  
See I'm your woman and you are my man  
Don't you understand

Chorus

I'm in love wit' you baby  
Can't you see  
I want you beside me everyday  
There's no need to worry  
I'm here to stay

Joya Owens:

Baby, can't you see  
Our love is meant to be  
Stay right by my side  
'Cause boy I'll keep you satisfied

Chorus x2

You've got my heart  
The way you touch me  
The way you hold me  
The way you please me  
The way you taste me  
Ooh yeah, baby  
I knew from the start  
The way you hold me  
The way you touch me  
The way you tease me  
The way you please me  
You're the only one for me  
I love you in a special way, hey, hey  
Chorus 'til fade
