

# Monika Ferens, Ignorance is bliss

[screaming]

Ignore it, ignore it, ignore it cause

You are who I'm afraid of

Ignore it, ignore it, ignore it cause

You are who's torturing me

Ignore it, ignore it, ignore it

And you will be blessed

Ignore it, ignore it, ignore it cause

Ignorance is bliss

I was watching you everyday and night

And I saw everything I needed to see

But who was I that I didn't even know

I didn't notice the ignorance is bliss

Ignorance is bliss, when you are

Who I'm afraid of

Ignorance is bliss, when you are

Who's torturing me

Ignore it, ignore it, ignore it and

You will be blessed

Ignore it, ignore it, ignore it cause

Ignorance is bliss

[Chorus]

What have you done you made

Everybody love you?

I should have known from the start

You're just a beautiful lie

I was watching you everyday and night

And I saw that...

Ignorance is bliss, when you are

Who I'm afraid of

Ignorance is bliss, when you are

Who's torturing me

Ignore it, ignore it, ignore it and

You will be blessed

Ignore it, ignore it, ignore it cause

Ignorance is bliss

[Chorus]

Cant see your face

Cant feel your touch

Cant taste your lips

No, no, no, go away

Cant see your face

Cant feel your touch

Cant taste your lips

No, no, no, go away

[Chorus 2x]
