

Monika Ferens, Jigged You

You were one of those boys
Who has got his own Harem
You walk around and three thousand chicks
Fight with each other to tell you hello
I would lie if I said I wasn't one of those girls
But everything I said ended up
With such a confusion (so I don't say a word)
But today I don't care what they say
And I say come closer to me
I just couldn't resist you and you didn't say no
So two became one immediately

[Chorus]

I jigged you and I don't feel bad
Not every girl has such a reason to brag
I jigged you I know you understand
From now on call me your girlfriend
Those girls will cry
Those girls will please
Beg you just for one night stand
I jigged you and I'm gonna brag
I'm gonna brag
My boyfriend came home to me
And he met you in the front door
He asked me what was he doing in your home
I said I have just slept him around
Oh baby if you were a girl you would understand
I just couldn't ignore such a perfect man
If I cannot have his soul, I'll say I've had so much more
Call me whore, call me slut, call me what you like
I still say come closer to me
I still want more after this amazing adventure
So two became one once more

[Chorus]

I know it's bad and I should be ashamed
But all of a sudden I do feel great
Daily I'm just against one night stands
But how could I ignore such a man?

[Chorus]
