

Monika Ferens, Kind-Hearted Sue

Kind hearted Sue Im so sorry
For cutting your heart in two parts
Sue Ive never meant to fail you
But I dont find the disappointing difficult
Kind hearted Sue I know Im bad
But I never think twice before I act
Im empty since you said good bye
Ive tried everything to carry on
But all I need is to know that

[Chorus]

You forigve me
Kind hearted Sue, let your heart understand
And wash all my sins away
Make me clean and invite me inside
Believe me Sue
Im homeless without you
Kind hearted Sue Ive penanced my sins
Though I wont penance the way you feel
When you were a pet thrown to a snow
And Ive ignored your misery so haughty
Sue I deserve every punishment
But Im punished by the loneliness
It cut me like a knife
When you walk out of my life
I beg you for letting me know that
[Chorus 2x]
