Monika Ferens, Kind-Hearted Sue

Kind hearted Sue Im so sorry For cutting your heart in two parts Sue Ive never meant to fail you But I dont find the disappointing difficult Kind hearted Sue I know Im bad But I never think twice before I act Im empty since you said good bye Ive tried everything to carry on But all I need is to know that [Chorus] You forigve me Kind hearted Sue, let your heart understand And wash all my sins away Make me clean and invite me inside Believe me Sue Im homeless without you Kind hearted Sue Ive penanced my sins Though I wont penance the way you feel When you were a pet thrown to a snow And Ive ignored your misery so haughty Sue I deserve every punishment But Im punishmed by the loneliness It cut me like a knife When you walk out of my life I beg you for letting me know that [Chorus 2x]
