

Monika Ferens, Saving Me

You got it, you got it, you got it, you got it 4x
I know you hate me
Its so obvious
You spit eyes when Im near
Im a nightmare of yours
Your words victimized me anywhere I go
You love to hate me to criticize me I know
I cant ignore this scowling way you use to look at me
I cant ignore the way you keep hurting me

[Chorus]
You live to blame me
To hurt, to scrape me
Theres nowhere to run, so Im stuck in this dust
I felt nothing more
Than your touch of scorn
You will never leave me, so it aint worth saving me
I know you loath me
Its scribbled on your face
Youre pretty in your hostility
Will I get off scot-free?
I recognize this abnormal way you love me
Your venom seeps deeper under my skin
Day after day you gamble my life away
Day after day you wash all my marks away

[Chorus]
You got, you got, you got, you got it
You got, you got, you got, you got it
(You live to blame me)
You got, you got, you got, you got it
(To hurt, to scrape me)
You got, you got, you got, you got it
(Theres nowhere to run, so Im stuck in this dust)
You got it
[Chorus 2x]
