

Monika Ferens, Sincere

Theres couple of thing you should know
And its my day to let it all be
Things I kept inside for so much long
I think they gotta be realeased
A rarel chance to be real
Im saying what I feel
Im feeling bad and you should know
You should know Im finally

[Chorus]

Sincere

Ive got so many things to say

(Im) sincere

Words are just coming away

Sincere

Its a game I have to play

Sincere

Sincere

Im sincere now

Concealing truth is hurtful for the world

Is here anyone I can trust?

I told you I cant stand the restrictions

I wanna confess fast, very fast

Silent and tongue-tied

I try to close my eyes

I dont give a damn what youll think

But you should know Im finally

[Chorus]

I cant stand the heartache

Its tearing from my chest out

It didnt last long cause I knew

What my life is whole aboht

I wont be silent, you cant shut me up

You cant mess up with me

Im on my own, Im on my own

Im

[Chorus 2x]

Now Im for real

Its my feel

You know Ill say everything

Im sincere

Sincere

Sincere
