

Monika Urlik, Momentum

I am on the right track
I am never looking back
nothing can slow me down
I gonna break new ground

somewhere I have never been
something I have never seen
I'm running from the noise
don't wanna lose my own voice

it is bulding up inside
I will never let it die
the momentum
keep on moving
I am in the momentum-mentum
I can never get it wrong
I will never get it done
the momentum
keep on moving
I am in the momentum-mentum

I am gonna leave the past
it can never live or last
I have no time to waste
I will realise myself

I am gonna start today
it is getting underway
don't stay around and wait
it's never too late

it is bulding up inside
I will never let it die
the momentum
keep on moving
I am in the momentum-mentum
I can never get it wrong
I will never get it done
the momentum
keep on moving
I am in the momentum-mentum

nothing can slow me down
I gonna break new ground
I'm running from the noise
don't wanna lose my own voice
