

# Mono Puff, Creepy

Town drunk's angry daughter  
And all her hospital friends  
Are coming downstate to meet us  
She wants to see me again

Creepy  
Strange  
Over the intercom  
They announce her real name

She's got a thimble  
Full of all I know  
A survey of California  
So Los Feliz, so Silver Lake

Creepy  
Wrong  
Live from the mini-mall  
They announced her real name

&quot;This song is called 'Creepy.'&quot;

Creepy  
Strange  
Over the intercom  
They announced her real name

Ahhhh....

Creepy

Six million ways to die

Creepy  
Wrong  
Live from the mini-mall
