

Monoral, Oh No!

Oh no
They're after me again
I have to hide I'm scared of them
Oh no
They're after me again
I have to hide I'm scared of them

You might be the one
How should I know
I'll drown you with wine
And tear you apart
I'm wondering why
They come back again
Cause it's always the same
It's always the same

Oh no
They're after me again
I have to hide I'm scared of them
Oh no
They're after me again
I have to hide I'm scared of them

Is all your moment spent?
Remember that I know the truth
That seems to fade in awful harmony

Is all your moment spent?
Remember that I know the truth
That seems to fade in awful harmony
