

# Monoral, Shenanigans

Well I'll be talking to the one  
That you never married  
Always on my mind  
I need to release that fury  
Hell, you never thought  
That I'll be the one to worry

Be my kind  
It makes you bleed  
It makes you scream  
It makes you want to join  
The rest of the shenanigans

Well I've been talking to myself  
For a while and I think  
Of all the words you said  
That stains and deceives my ego  
It took me time to figure  
How to believe in fairies

Be my kind  
It makes you bleed  
It makes you scream  
It makes you want to join  
The rest of the shenanigans

It makes you bleed  
It makes you scream  
It makes you want to join  
The rest of the shenanigans
