Monroe Michael, Can't Go Home Again

There used to be a place I could call my home It was just another phase Now I'm sitting here alone I was living in a whirl Now it's history But I can't go back, my friend I'm gonna keep on 'til the end CHORUS I know everything's gonna be O.K. But I can't go, I can't go home again I used to know a face Thought I was in love But I was in a haze Now I think I've learned enough And I can't go back again I'm the loser in the end **REPEAT CHORUS** Seen the strangest things Stories I could tell Angels with their wings Clipped by those from hell But I can't go back, my friend I'm gonna keep on 'til the end **REPEAT CHORUS** And I can't go back again I'm the loser in the end **REPEAT CHORUS** I can't go, I can't go home again I can't go home again.
