

Monroe Michael, Shake Some Action

I will find a way to get to you some day
Oh but I, babe I'm so afraid I'll fall. Yeah!
Now you can hear me call

CHORUS

Shake Some Action's what I need
To let me bust out at full speed
And I'm sure that's all I need
To make it alright
It's taken me so long
To get where I belong
Oh, but oh love, please don't send me back that way. Yeah
For I will make you pay

REPEAT CHORUS

Yeah!

Make it alright.

If you don't dig what I say
Then I will go away
And I won't come back this way again, no
'Cause I don't need a friend

REPEAT CHORUS
