

# Monroe, Smile

uh uh uh uh uh uh uh uh  
uh uh uh uh uh uh uh (x2)

(Chorus:)

When I see you smile,  
I can face the world, ohhh,  
You know I can do anything.  
When I see you smile,  
I see a ray of light, ohhh,  
I see you shining right to the way now.

(Verse 1:)

Sometimes I wonder if i'll ever make it through,  
Through this world without you,  
I just wouldn't have a clue.  
Sometimes it seems this world's closing in on me,  
And there's no way of breaking free,  
And then I see you reach for me.  
Sometimes i wanna give up,  
I wanna give in,  
I wanna quit the fight,  
And then I see you baby and everything's alright,  
And everything's alright.

(Chorus:)

When I see you smile,  
I can face the world, ohhh,  
You know I can do anything.  
When I see you smile,  
I see a ray of light, ohhh,  
I see you shining right to the way now.

(Verse 2:)

Baby there's nothing in this world i can ever do,  
That the touch of your hands can't do,  
It's like nothing i ever knew, yeah.  
And when the rain is falling,  
I can feel it,  
That you're here with me now,  
I wanna ask you baby if everything's alright,  
If everything's alright.

(Chorus:)

When I see you smile,  
I can face the world, ohhh,  
You know I can do anything.  
When I see you smile,  
I see a ray of light, ohhh,  
I see you shining right to the way now.

(MC/Rap Section)

(Chorus:)

When I see you smile,  
I can face the world, ohhh,  
You know I can do anything.  
When I see you smile,  
I see a ray of light, ohhh,  
I see you shining right to the way now.

Oh baby,  
I'm your number one lady,  
You know that I'm your only baby.

(Chorus:)  
When I see you smile,  
I can face the world, ohhh,  
You know I can do anything.  
When I see you smile,  
I see a ray of light, ohhh,  
I see you shining right to the way now.

(Chorus to fade)
