

# Monrose, Going Out Tonight

We're going out tonight me and my girls  
We're going out tonight, we're looking for party  
We're going out tonight me and my girls  
We're going out tonight, we're looking for party

I said I like the way ou work it  
The way you jerk it oh  
Got some style and yes I'd like to twirk it  
Got the kinda thing that I like yeah  
The naughty kinda swagga that I need  
Give my dog a bone if you really want it  
Don't be so scared just to get up on it  
Do me how you wanna cause I'd rather get it  
DJ won't you play it for me

(Chorus)

I'm like jump dwon good boy give the dog a bone  
Pull up to my bumper baby we can get it on  
I'm like jump down turn around do that dirty wind  
Bring it up slow till we're flirty, flirty

(Chorus)

Baby into you, ain't no doubt what I wanna do  
My Vicki's secrets peeking at ya  
Are you gonna come get it?  
I'm like jump down good boy give the dog a bone  
Pull up to my bumper baby we can get it on  
I'm like jump down, turn around and do that dirty wind  
Bring it up slow till we're flirty, flirty
