

# Monrose, Shame

Our final a conversation  
It lies heavy on my mind  
And although we couldn't say it  
I think we know  
Shame we can't go back this time

For love and desperation  
Is there writing on the wall  
And when all the lights stop flashing  
Or is this the final curtain call

It's such a shame, it's such a shame,  
Don't walk away, don't walk away  
All this time I thought I knew myself  
But once again, I bury my head in shame.

Nothing lasts forever  
A flower always dies  
I never felt the beauty  
Why can't I see  
Through other people's eyes?

It's such a shame, it's such a shame,  
Don't walk away, don't walk away  
All this time I thought I knew myself  
But once again, I bury my head in shame.

I've paid the price for all my sins  
And when love ends  
New life begins  
My independence  
Always nails me to the floor  
And it leaves me wantin' more  
Leaves me wantin' more

I got everything a girl could ever need  
So why do I still feel  
Like my life's so incomplete?

You made me beautiful  
Brought me to my knees  
So please don't go  
Don't take the missing piece

It's such a shame, it's such a shame  
Don't walk away, don't walk away  
All this time I thought I knew myself  
But once again, I bury my head in shame.

It's such a shame, it's such a shame  
Don't walk away, don't walk away  
All this time I thought I knew myself  
But once again, I bury my head in shame.

Shame...
