Marka Editions

I wanna know why  
You never let me know  
I wanna know why  
You never let me go  
Oh yes I really wanna know

You wanna know why  
I never let you know  
You wanna know why  
I never let you go  
Oh yes You really wanna know

You really wanna know  
My secret garden, my Idaho  
You really wanna know  
Although You d better never know

You really wanna know  
My muddy waters, my overflow  
But if You ever know  
Then You will go  
I dont want You to go

You wanna know why  
I never let you know  
You wanna know X2  
Why I never let You go  
You wanna know  
I dont want you to go

You really wanna know  
My muddy waters, my overflow  
But if You ever know  
Then You will go  
I dont want You to go

You wanna know why  
I never let you know  
You wanna know X2  
Why I never let You go  
You wanna know  
I dont want you to go
