

# Monsoon, Big dog

Theres a wild dog in my bed  
Fiery eyes red tongue and bad breath  
Im gonna twist Im gonna twist off its head  
Till the black bile comes out of it  
That big dog wagging its tail  
Bearing its teeth and barking at me  
I do the best I do the best the best I can  
Got to get get get rid of it  
So lets ride ride  
Really want to have to find a way to get away  
Ride  
Projected picture on a screen  
It cant be me it must be a bad dream  
Ive to cut, Ive got to cut Cut that scene  
Press rewind-restore and redeem  
Theres bad blood under my skin  
A river carrying poison and sin  
A little voice A little voice whispering  
Youve got to get get get rid of it  
So lets ride, ride  
Really want to Have to find a way to get away  
Ride, ride  
Time has come for me to really get out of this place
