

Monsoon, Decadent Dandy

Happy go lucky Johnny
Had a dream a bout a world
Had a dream about a bunny
A hot hot girl
Cocktails caviar
Limousine and porn stars
Skinny dippin tycoon
In the Jacuzzi pool

Chorus

His door is always open
To any boxom girl
Hes got the champagne ready
Hes the decadent decadent decadent dandy

Big money Big game
Big head small brain
You Tarzan Me Jane
Gold watch gold chain
Gold jet set plane plane
And all aroundgold diggers

Chorus

his door is always open
to any boxom girl
he feeds them champagne dope and lines
oh what a crazy mansion
and when it comes to style
hes second best to noone
hes a decadent decadent decadent decadent dandy
take a cheeky pic of me on the grass
sippina glass of bourbon tangerine
now take another one of me and the king
of eyes tits and teeth magazines
