

Monster Magnet, Dinosaur Vacume

Take me to the sunspot, now I wanna go home
Flash on the Citadel, having too much fun
Atomical baby, I think your moon is dead
Last push of royalty into your bobbing head
Dinosaur vacume wanna take me home
Dinosaur vacume wanna take me home
Thunder in a tube top, now I wanna get high
Slaves of the mother rock, cut me another line
Atomical babe, I know you burn alright
Try to find a dope mule, into another light
Dinosaur vacume wanna take me home
Dinosaur vacume wanna take me home
Dinosaur vacume wanna take me home
Dinosaur vacume wanna take me home
Dinosaur vacume
Dinosaur vacume
Dinosaur vacume
Dinosaur vacume
Dinosaur vacume
Dinosaur vacume
Dinosaur vacume
