## Monster Magnet, Wall Of Fire

Well I'm back
I got a cock made out of platinum
I got a bullet coming out of the sky
I got the world's last piece of chocolate
I got the full moon in my eye
I gotta make that soul adoption
Baby, in the hands of fools
You gotta love that main attraction
Because I ain't getting outta the pool

Here we go
I made it just the way you like it
I'll shake your hand for free
Why don't you see when I can see you
Because I really like this game
You gotta love that sole adoption
Baby, in the hands of fools
You gotta be that main attraction
Because I ain't getting outta the pool

Baby, I kinda like you crazy Like climbing up the Wall of Fire I know you wouldn't hurt me Yeah, yeah, yeah Baby, I like it when you're crazy Like climbing up the Wall of Fire I like it when you hurt me Yeah, yeah, yeah

Tell me when my ship comes in, I'm underground The girl lies in the sun until she's golden-brown I just got a mission that I can't turn down Killing Nazi zombies in a German town

Well I'm back
