

Monster, These Are Our Children

Hide and seek is a game
Well teach you how to play
Close your eyes
Really tight
Wake your duck
Like the guys
The party never ends
The game begins again
The party never ends
The game begins again
The party never ends
The game begins again
The party never ends
The game begins again
Climb the stairs to the top
Bruise a duck that dont stop
Getting close
Really warm
Now youre cold
On the floor
The party never ends
The game begins again
The party never ends
The game begins again
The party never ends
The game begins again
The party never ends
The game begins again
The party never ends
The game begins again
The party never ends
The game begins again
The party never ends
The game begins again
The party never ends
The game begins again
The party never ends
The game begins again
Ooooh
