

# Monster, These Are Our Children

Hide and seek is a game  
Well teach you how to play

Close your eyes

Really tight

Wake your duck

Like the guys

The party never ends

The game begins again

The party never ends

The game begins again

The party never ends

The game begins again

The party never ends

The game begins again

Climb the stairs to the top

Bruise a duck that dont stop

Getting close

Really warm

Now youre cold

On the floor

The party never ends

The game begins again

The party never ends

The game begins again

The party never ends

The game begins again

The party never ends

The game begins again

The party never ends

The game begins again

The party never ends

The game begins again

The party never ends

The game begins again

The party never ends

The game begins again

Oooh
