

# Monster, Women (They're Mine)

I beg your pardon my dear, but what I will say to you may hurt your feelings  
But I've got nothing to fear cause all I'm saying here is true  
Every man thinks like I do  
Well they can say they don't agree with me  
But deep inside they know that's how it is  
When you see a hot chic pass  
Take a look at that ass  
Women! They're mine! The more the better, that's right  
Women! They're mine! Two or more at the same time  
So you ask me about love, and about monogamy  
Who are you trying to fool my friend?  
Cause I saw your boyfriend watching that girls double  
D's  
Blame Mother Nature on it  
Monogamy is a social or religious thing  
I'm not religious and I don't give a shit  
And then you talk about cheating,  
And how wrong it can be  
Well if you don't want more women,  
You can leave them for me  
I'm not cheating anyone  
They're with me cause they want to  
I know that they think like I do  
So I'll be true to myself  
Do what my body wants me to  
And I'm starting with you
