

# Monsters Of The Midday, I'm So Lonely

I've got think of something better  
Of a stunt, the best one ever  
Or I'll be off, off of the show  
I don't know where, where I'll go

I tried to win but here I sit  
Now I just feel, like I want to quit  
I'm so sad, so sad, I'd cry  
Russ sent me out and the world to die

I'm so lonely  
I'm so lonely  
I'm the loneliest bear  
In the world

Gave a week, it's not enough  
I tried to smile but it's just too tough

It's getting close, the storm is near  
And I am crying a big bear tear

I got the tag, I won it fair  
But Russ is mad and I just don't care  
My best friend, Sav, my only friend  
My time on the show is about to end

Russ Rollins is a meanie  
Russ Rollins is a meanie  
He don't care that I'm sad  
He doesn't care about my dad

I'm so lonely  
I'm so lonely  
I'm the loneliest bear  
In the world
