

Montaigne, Technicolour (Australia, Eurowizja 20

I wanna be closer to my mother
I wanna belong to the world
A mirror that shows Technicolour
I'll be a magnificent girl

But everuthinf is frustrating
Everything moves along
Faster than i can relate to

But i got power
Midnight is the hour
Time to take off your cloaks

Technicolour
Technicolour
F we stand together
We can do whatever
