

# Montell Jordan, Falling

(feat. Flesh-N-Bone)

[Flesh-N-Bone]

Come and feel my thug love baby  
This feelin'll get you with me  
It'll drive you oh so crazy  
Cuz I've been watchin' you lately lady  
Round and round the world we go  
To the next show  
Bless your soul  
Flesh know that I sure do miss you  
After thuggin' off on this road so long  
So come on  
Let's get it on  
Baby don't get me wrong  
Baby I spose to bump, bump, bump, bump,  
And you moan and you groan  
See, I can picture this  
Why you stallin'?  
While this thug is out here ballin'  
Hear this callin'  
I wanna be fallin' for you (for you)

[Montell Jordan]

40 days since our first kiss  
I sit alone and reminisce  
What you said last night just took me by surprise  
How you said you're not gone cry no more  
You're waitin' to exhale  
Having feelings that you're falling  
Woman, I've already felt

[Chorus x2]

Oh, I'm falling for you  
And I just can't help myself  
Baby I'm falling

[Montell Jordan]

Contemplating what to do  
falling faster over you  
both my heart and pride are out there on the line  
I dial your number on the phone  
It's steady ringing  
you're not home  
If you're listening to this message  
Girl I'm calling cuz I'm falling for you

[Chorus x2]

[Flesh-N-Bone]

She be feel it runnin' through my blood, what?  
You better not be so quick to judge  
Much love to all of my people  
Humble and peaceful  
Fallin' for thugs  
Devotion outspoken but chosen to shut you down  
I would give you the  
If I make it go round  
Have a fun, beautiful night on the town  
Way down  
We havin' a party like everyday  
Come around my way, hey  
You know we parlay, parlay  
Everyday we parlay, parlay  
After it's all over

And you keep on callin'  
I know that you have fallen for me

[Chorus: till fad]
