How ya doing baby?

[MJ] □'m doin' great, how are you this evening?

[Girl] □'m wonderful now that you're here
It's so nice to see you

Now, you're working on your fourth album
And you been traveling around the world
How does it feel?

[MJ] □Oh hectic, I can't even explain it
It's just been crazy but it's been exciting

[Girl] □Exciting?

[MJ] □Yeah

[Girl] □Everything you do is exciting
Now I heard you been to Ireland, you been to Africa
And ooh, baby, I heard you went to Cuba

[MJ] □Oh, Cuba was so, so incredible

[Girl] □Now you know what they say don't you?

Once you let a Latin love steal your heart
It's ah, oh man, I don't even wanna go there

Let me quit, let me quit, let me quit

Now tell me, is there a story there?

Is there anything you can like tell us

About that exciting trip?

[MJ] □Nothing I don't think we could discuss on the radio

[Girl] □Oh, come on, mijo you can tell me

[MJ] □Oh mami, uh I could tell you a story about Cuba

But I don't think you'd believe me
