

# Montell Jordan, Time To Say Goodbye

Pre- Chorus:

It's getting late  
And I don't want them to stay  
They don't have to go home  
But they gotta get up, get out  
And get on

Verse 1:

Some friends came by to kick it  
But, the time is passing slow  
We're wined and dined  
For half the night  
We told every joke that we know  
Now I don't mind entertaining  
But your body language is telling me  
Along with your bedroom eyes  
Feels like its time for them to leave  
Now

Chorus:

Now it's time to say goodbye  
To all our company  
So glad they could come  
But they stayed too long  
Don't mean to be rude  
But they need to go home  
(Repeat 2x)

Verse 2:

Baby, I'm feeling you  
And I'm glad you're so attentive to my  
Every move  
I know that you want it  
So why don't we just  
Play it cool  
And hope they're leaving soon  
Let's wait a while is what I said before  
But this waiting is making me want you more  
(Repeat Pre-Chorus)

We like it when you  
Drop by for a minute  
Excited that you came by  
Here to kick it  
Can't they see that 4 play in our eyes?  
I think they should realize  
That it's getting time...to go,  
I can sneak a feel and they  
Won't know  
We want you to go home  
We need to spent tonight alone
