

Montevideo, Groovy Station

You won't lie here by yourself
Let me give you a hand
My self in a frame with you around,
Come on let's go!!
Have you got any change?
What!?
I'm just speaking my mind
It's hard to hear a deaf sound in here!
Come on let's go!!
Walk on, walk on, walk on, by
I tell you it's gonna be a terrific night (bis)
Ladies and boys, there's no need to try
I'll step on your toes if you step on mine
Walk on, walk on, walk on, by
I tell you it's gonna be tonight
He doesn't need any girls tonight
Turn on the radio and get your high!
Groovy station is playing out tonight
He's gonna spend his bloody extra time.
Listen to Frankie's "relax" on line
We are searching on the long wave dial
Girls are crazy and moving so fine!
Please catch that sound and come alive.
Walk on, walk on, walk on, by
I tell you it's gonna be a terrific night (bis)
Ladies and boys, it's no need to try
You don't need clothes when you're looking so damm fine!
Walk on, walk on, walk on, by
I tell you it's gonna be tonight
Now I hear a groovy station, a groovy sound in my mind (bis)
Walk on, walk on, walk on, by
I tell you it's gonna be an terrific night (bis)
Ladies and boys, there's no need to try
You don't need clothes when you're looking so damm fine!
Walk on, walk on, walk on, by
I tell you it's gonna be tonight
