A small town

(Eddie)
I DONT KNOW BUT IVE BEEN TOLD!
(i dont know but ive been told....)

(Chorus)

(Troy)
Two years and ex-wife later
i got a job patchin up radiators
(and the occasional fuel pump)
savin' up and movin to the city
well there i was, workin on a tuesday
when a firebird showin its age pulled up, to the middle bay
(WHAT DO YOU KNO ITS JAY!)

(Chorus)
