

Montgomery Gentry, Look Some More

[Verse 1:]

A couple acres, on the outskirts
A little fenced in piece of red dirt
And the banker had his pen out
He said "sign here", I kinda freaked out
All this talkin' about settlin'
Had this old boy back peddlin'
So I pushed back that contract
Found my car keys and I hit the gas

[Chorus:]

I don't know what I'm lookin' for
So I guess I'll go and look some more

[Verse 2:]

A couple girls back I lost my head
With a hazel eyed brunette
Showed up with, yea, of all things
A little blue box with a gold ring
So I reached down in my pocket
To find my nerve, but I lost it
Couldn't trust me, with her around
So I put my heart, back in lock down

[Chorus:]

I don't know what I'm lookin' for
So I guess I'll go and look some more

[Verse 3:]

So many choices
So hard to choose
I can't hold my horses
I've got no time to lose

[Chorus:]

Oh, I don't know what I'm looking for
So I guess I'll go and take another good long look around
I don't know what I'm lookin' for
So I guess I'll go and look some more
Guess I'll go and look some more, yea,
Take another good long look around
