Montgomery Gentry, Trouble Is

Trouble is I can't make her see I said some bad things I didn't mean Now it's all come down to this She's not here Trouble is Trouble is she's over me And it's no use to beg and pled And it's to late to make amends She's not here Trouble is Trouble is dark, cold, and lonely Touble it this big half empty bed Now there's no one around to hold me She's not here Trouble is Trouble is My closest friend She moved out and it moved in Now it's here to stay I guess That's just the way trouble is Trouble is dark, cold, and lonely Trouble is this big half empty bed Now there's no one around to hold me That's just the way trouble is Now there's no one around to hold me She's not here Trouble is
