

Montgomery Gentry, What Do Ya Think About Th

I heard it through the grapevine
My new neighbor don't like my big red barn
A '47 Ford, bullet holes in the door
Broke down motor in the front yard
I got half a mind to paint a plywood sign
And nail it up on a knotty pine tree
Saying I was here first
This is my piece of dirt
And your rambling don't rattle me

Some people care about what other people think
Worry about what they say
Let a little gossip
Coming from a loose lip ruin a perfect day
Saying blah, blah, blah, just a jacking their jaws
Gotta let it roll off-a my back
I don't give a dern what other people think
What do ya think about that

I wear what I want to, overalls, work boots
Crank my music up loud
Like to sling a little mud in my four wheel drive
Trek it all into town

Shot a little eight ball down at the pool hall
Drink a beer with my friends
Now don't judge me and I won't judge you
Cause we all get judged in the end

Some people care about what other people think
Worry about what they say
Let a little gossip
Coming from a loose lip ruin a perfect day
Saying blah, blah, blah, just a jacking their jaws
Gotta let it roll off-a my back
I don't give a dern what other people think
What do ya think about that

Some people care about what other people think
Worry about what they say
Let a little gossip
Coming from a loose lip ruin a perfect day
Saying blah, blah, blah, just a jacking their jaws
Gotta let it roll off-a my back
I don't give a dern what other people think
What do ya think about that

Say, I don't give a damn what other people think
What do ya think about that
What do ya think about that
